Papa Murphy	Pizza Cards	Deb Gudlewski	449-8048	gudlewski@msn.com

We have been very busy planning these programs, and are still working out a few details. Information will be placed in Swimmer Folders. We have no expectations families participate in every option, but rather we provide options to allow you to choose which promotions you'd like to support in order to fulfill your fundraising commitments for the year as well as pursue any higher monetary objectives you may wish.

If you know of any successful fundraising promotions we have not included here, please feel free to suggest others. We want to make this as easy and successful as possible! Thanks in advance for your support! *The fundraising contributes to the success of BETT and helps us to avoid dues increases.* If you do not wish to partake in any of these fundraising activities, you may choose to make a full monetary commitment of the Family Fundraising Commitment listed at top of page.
